
GRUPP INFJORATURI GĦARB – ESPRESSJONARTI MALTA B'DISINN IEĦOR

Grupp Infjoraturi Għarb kkrejaw disinn li sar minn Michael Bajada bil-melħ ġewwa l-Kunsill Lokali l-Għarb. Din l-attivita' ġiet organizzata bit-tema "Dreaming of Tokyo" għar-raġuni li l-Grupp kien ser jattendi għall-kungress Internazzjonali tal-Infjorata ġewwa Tokjo, il-Ġappun bejn is-26 ta' Mejju u l-3 ta' Ġunju pero' minħabba s-sitwazzjoni tal-Covid-19 tħassar kollox. Minkejja ir-restrizzjonijiet, il-grupp xorta ħadem fi gruppi żgħar f'ħinijiet differenti b'responsabilita' u mexa mad-direttivi tal-awtoritajiet tas-saħħa.

Il-Grupp ippreżenta x-xogħol tiegħu lill-Ambaxxatur Malti tal-Ġappun, Andre' Spiteri nhar is-Sibt 6 ta' Ġunju. Huwa qal li inizjattivi bħal dawn iqarrbu liż-żewġ popli.

GRUPP INFJORATURI GĦARB – ESPRESSJONARTI MALTA WITH ANOTHER DESIGN

Grupp Infjoraturi Għarb created another design by Michael Bajada with salt at the Local Council. The theme of this activity was "Dreaming of Tokyo". The reason for such theme was because the group was attending to the International congress of Infiorata in Tokyo, Japan between the 26th May and the 3rd June, 2020 but since we were in Covid-19 situation this was cancelled. In spite of all the restrictions, the group worked in small groups in different times with responsibility and followed the health authorities guidelines.

On Saturday 6th June, the Group presented their work to the Maltese Ambassador for Japan, Andre' Spiteri. He said that initiatives like these connect these countries more.

MANUTENZJONI TAL-ISQAQ

Peress li Sqaq numru 2 fi Triq Frangisk Portelli kien jinsab fi stat ħażin il-Kunsill wettaq xogħolijiet ta' manutenzjoni u sar wiċċ ġdid bil-konkos kif ukoll inbiddlu is-servizzi tal-ilma u fejn meħtieġ drenaġġ. Dawn ix-xogħolijiet saru permezz tal-ħidma sfiqa tal-ħaddiema tal-Kunsill tal-Għarb.

ALLEY MAINTENANCE

Since alley number 2 in Frangisk Portelli Street was in bad condition, l-Għarb Local Council implemented maintenance works with a new resurfacing of concrete and also water and drainage services were changed where necessary. These works were held by the Local Council's workers.
