Il-Kunsill Lokali l-Għarb f'isem ir-residenti jixtieq jirringrazzja lill-Onorevoli Ministru għal Għawdex Clint Camilleri li kkommissjona perit sabiex setgħa jagħmel l-istudji meħtieġa sabiex ikun disinjat ix-xogħol meħtieġ. ## WORKS ON TA' SDIERI ARCH

During these past weeks, maintenance works are being held at Ta' Sdieri arch after part of the mentioned arch collapsed and was of great danger to the public. This work has been reported since 2014 but it was never given the adequate attention and then back in December 2020 the road collapsed at the beginning of the arch from Ta' Sdieri Street. The Council on behalf of the residents would like to thank the Minister for Gozo Architect Clint Camilleri that commissioned an architect to compile the necessary studies so that works will be designed as planned. Right now that this report has been finalised works are being held. The Council would like to notify the residents that this road is closed until further notice. Thanks for your cooperation.

A gesture that made the children happy while they were currently being kept away from the school bench. Through this activity the children enjoyed this surprise in the absence of the usual festivities. This was the safest way for this year which left a positive effect on the children.
