

COMMUNITY POLICING

Il-Korp tal-Pulizija ta' Malta jinsab kuntent ħafna li jintroduċi l-Community Policing f'Għawdex, wara s-suċċess kbir li beda fil-Mellieħa fl-2019 u issa jestendi fil-biċċa l-kbira ta' Malta.

Il-Pulizija tal-Komunità hija dwar l-uffiċjali tagħna li jaħdmu eqreb mal-komunitajiet tagħna, għalhekk l-uffiċjali lokali jipprovdu pulizija viżibbli u serħan il-moħħ pubbliku. Dan is-servizz huwa mfassal biex jikkumpla l-impenji operattivi tal-kumpla tas-servizz, fejn aħna nipprovdu dik is-serħan il-moħħ fl-ibliet u l-irħula madwar Għawdex.

Nagħmlu dan, billi jkollna uffiċjal maħtur, jew uffiċjali, li jimmiraw lejn ir-rondi tagħhom biex jiprovdu l-preżenza li l-komunitajiet jixtiequ jaraw, sabiex is-sensazzjoni tagħhom ta' sigurtà tiżdied. Dawn l-uffiċjali qegħdin hemm biex jimpenjaw ruħhom mar-residenti, biex jisimghu l-kwistjonijiet li verament jaffettwaw il-kwalità tal-ħajja tagħhom.

Wieħed mill-impenji tagħna huwa li nisimghu dak li qed jingħad u nagħxu fuq dik l-informazzjoni, sabiex ikollna sehem x'nagħtu biex insolvu l-problemi li jħassru l-komunitajiet tagħna. L-imsieħba ewlenin tagħna f'dan huma l-kunsill lokali, iżda naħdmu wkoll mill-qrib ma' numru ta' aġenziji, billi nużaw il-kompetenza tagħhom biex ngħinu biex iwettaq ix-xogħol. Dan huwa l-approċċ li nadottaw, għalhekk il-pulizija m'għadhomx l-unika aġenzija li twettaq il-bidla, iżda bħala approċċ ta' sistema sħiħa, nistgħu nagħmlu l-affarijiet aħjar għall-pubbliku.

Ir-rispons tal-pulizija jibqa' r-rwol tal-istazzjonijiet tad-Distrett u huma l-punt ta' kuntatt għal sejħiet urġenti u ta' emerġenza u dan il-metodu ta' komunikazzjoni jrid ikompli, biex kulħadd ikun jaf il-metodi ta' rappurtar korretti lilhom. L-uffiċjali tal-komunità ma jissostitwixx lill-uffiċjali tal-pulizija tar-rispons, iżda jaħdmu b'mod strutturat, biex itellgħu incidenti li huma relatati mal-komunità. Inhegħgu lir-residenti tagħna biex jużaw ir-rappurtar korrett ta' dawn l-incidenti ta' emerġenza u jagħmlu kuntatt mal-uffiċjal tal-Komunità tagħhom fuq l-indirizz elettroniku disponibbli.

Għalhekk, jekk inti, bħala membru tal-komunità tagħna, għandek bżonn tkellem lil wieħed mill-uffiċjali tagħna, allura nagħmlu dan b'appuntament u jistgħu jithallew messaġġi mal-uffiċċju tal-Komunità, biex dak l-uffiċjal jagħmel kuntatt f'ħin miftiehem u data. Dan huwa servizz personali, għal affarijiet li mhumiex urġenti u li huma rilevanti għall-komunità tiegħek stess.

Nilqgħu l-introduzzjoni għida tal-Community Policing u nħarsu 'l quddiem għal relazzjoni b'saħħitha, produttiva u sostnuta mal-pubbliku ta' Għawdex u b'mod partikolari l-inħawi tal-Għarb.

The Malta Police Force are very pleased to introduce Community Policing into Gozo, following the huge success starting in Mellieħa in 2019 and now extending across most of Malta.

Community Policing is about our officers working closer with our communities, so local officers provide visible policing and public reassurance. This service is designed to compliment the operational commitments of the rest of the service, whereby we provide that reassurance in the towns and villages across Gozo.

We do this, by having a designated officer, or officers, who target their patrols to provide the presence that the communities like to see, so that their feeling of safety is heightened. These officers are there to engage with the residents, to listen to the issues that really affect their quality of life.

One of our commitments is to listen to what is being said and act upon that information, so that we all have a part to play in solving the problems that blight our communities. Our main partners in this are the local council, but we also work closely with a number of agencies, using their expertise to help get the job done. This is the approach we adopt, so no longer are the police the only agency to effect change, but as a whole system approach, we can make things better for the public.

Response policing remains the role of the District stations and they are the point of contact for urgent and emergency calls and this method of communication must continue, so that everyone knows the correct reporting methods to them. Community officers do not replace response police officers, but work in a structured manner, to pick up incidents that are community related. We urge our residents to use the correct reporting of these emergency incidents and make contact with their Community officer on the email address available.

Therefore, if you, as a member of our community, have a need to speak to one of our officers, then we do this by appointment and messages can be left with the Community office, for that officer to make contact on an agreed time and date. This is a personal service, for things that are not urgent and are relevant to your own community.

We welcome the new introduction of Community Policing and look forward to a healthy, productive and sustained relationship with the public of Gozo and in particular the area of Għarb.
