### CELEBRATING 50 YEARS OF 'ID-DENFIL' DURING LIBRARIES WEEK 2024

Malta Libraries will be celebrating the 50th Anniversary of the beloved book series: 'Id-Denfil' from the 22nd of April till the 31st of August with an initiative for the public which will launch in April as part of the programme of events for Libraries Week 2024, a week which intentionally coincides with World Book and Copyright Day.

Members of Malta Libraries who wish to participate in this anniversary can pick up a ticket from one of the libraries listed below. Every library will be hosting a story from 'Id-Denfil' and the librarians will stamp your ticket upon reading the story. In July, the stories posted in Gozo will be swapped with those in Malta so that the participants can collect their 12 stamps more easily. The initiative wraps up by the end of August when the tickets will be collected and a special price will be announced for those participants who manage to collect the 12 stamps.
